BUSINESS SPONSORSHIP · THE BALM VISION CENTER CAMPAIGN

Help build a home for healing

The Balm Vision Center will be one home in Paulding County to worship, heal, and serve our community. Our **Phase 1 goal is $50,000 by December 31, 2026**, and local businesses can help us get there.

Mental wellness support

Free and reduced-cost, faith-based support through Balm Care Community Action Center. Today the need is greater than our capacity.

Leaders and young adults

ARM Training Center equips leaders, and POUR Next Generation reaches young adults in our community.
